## "Get-a-Start" Bargains

We are listing here some of the very best of the Glads. If you will compare them with the regular prices, you will find these Sets are priced very low. They are made up of various size bulbs so you can see them bloom at different times and under different conditions and the bulblet stock and small bulbs will give you a fine start for another season.

**Set 14. Coral Glow (Ellis).** This is one of the very best of the Ellis Originations, and so far as we have been able to see, it tops the orange class. It is a very vigorous grower with dark green leaves, and is prolific. Large wide-open florets well placed on straight stems, and unsurpassed in color. We have received many fine reports on this variety. 1 large bulb, 5 medium, 25 small and 100 bulblets, all for \$4.00.

**Set 15. New Era (Ellis).** This was Grand Champion in the big Indiana show last summer and has won many awards and ribbons. This spring we had a letter from an Eastern hybridizer saying he has tried hundreds of the best Glads and that New Era is the best of them all. Wonderful ruffling and color and on a warm day an armful of New Era will often have the fragrance of roses. 1 large bulb, 5 medium, 25 small and 100 bulblets for \$1.75.

**Set 16. Wings of Song (Ellis).** This was Grand Champion at the Iowa Society Gladiolus Show last summer. Was entered five times in New York a couple of years ago and never beaten and has won a great many ribbons and awards, all as befitting a Picardy seedling. A very beautiful light pink. 5 medium, 25 small bulbs and 100 bulblets for \$5.00.

**Set 17. Golden Chimes (Ellis).** This has won so many ribbons that in Iowa, for the shows there, Golden Chimes has been placed in a special class so as to give the other yellows a chance. Very tall, vigorous, well placed and ruffled. 1 large, 5 medium, and 50 small bulbs and 500 bulblets for \$1.00.

**Set 18. Chief Multnomah (Ellis).** This is also a winner of many firsts and is classed by many as the best in the smoky class. It is very tall and large and marked with a unique and brilliant throat blotch. It bears the name of a famous Indian Chief of the early days in Oregon. 1 large, 5 medium, 25 small bulbs, and 200 bulblets, for \$2.00.

**Set 19. Ivory Keys (Ellis).** Another winner, both for exhibition and cutflowers. A beautiful frilled white on straight spike. Fine placement. 1 large, 2 medium and 5 small bulbs and 10 bulblets, for \$6.00.

**Set No. 20. Marlyn (Ellis).** This is the best Picardy seedling we have yet seen and if it continues to come as good as it has for the past few years under trial it will go places. It is a shade deeper pink than Picardy, is larger, taller and with a longer reach from the ground to the first floret. Just introduced this season. 1 medium, 2 small bulbs and 5 bulblets for \$9.00.

**Set 21. Yellow Emperor (Ellis).** We think of this as one of the very best cutflower yellows. Of a very beautiful deep color, stands heat, and is the right size for shipping. 10 medium, 100 small bulbs and 1000 bulblets for \$1.35.

**Set 22. Royal Pink (Ellis).** Large, deep pink, very early and an excellent cutflower as well as exhibition variety. 5 medium, 50 small bulbs and 1000 bulblets for \$1.75.

**Set 23.—Eric the Red (Ellis).** Very large, tall, deep red. Fine either for exhibition or cutflowers. 1 large, 5 medium, and 50 small bulbs, and 200 bulblets for \$2.25.

**Set 24. Red Roy (Ellis).** Another excellent keeper as a cutflower and good winner at the shows in hot weather. Tall, vigorous red with cream blotch. Makes beautiful bulbs. 2 large, 20 medium and 200 small bulbs and 1000 bulblets for \$1.00.

**Set 25.—Abe (Ellis).** This is a coming cutflower. It is a Betty Nuthall seedling, is taller, longer distance from ground to first floret, a shade deeper color, of better texture and keeps better in fall dews and rains. 1 large, 5 medium, and 10 small bulbs and 250 bulblets, for \$1.80.

**Set 26. Ranza (Ellis).** Another Picardy seedling of real cutflower possibilities. Deep pink, of good texture and keeping qualities and right size for shipping. 1 large, 2 medium and 10 small bulbs and 100 bulblets for \$4.75.

**Set 27. Vista Bonita (Ellis).** This is an immense geranium pink which has attracted lots of attention among the leading growers and has won its share of ribbons. 1 large, 5 medium, and 30 small bulbs, and 100 bulblets, for \$5.00.

**Set 28. Bonneville (Ellis).** Of all the cutflower Glads in warm weather this ranks as one of the best keepers and shippers, and holds its color all through the summer heat. It is a deep salmon and a vigorous grower and propagator and is now being grown in large quantity for cutflower use. 5 large, 20 medium, 200 small bulbs and 1000 bulblets for \$1.25.

# Long-Blooming Season Specials
